She requested that the club purchase Page Maker for Marcio to meet these requirements. There was a motion made and approved to spend up to \$500 for this purpose. Amber agreed to work out the details with Marcio

Insurance: Gimmick Rally is covered

Driving Events:

- Grattan
 - There are 18 checks received to date reserving space
 - Rick Riley agreed to have someone from his team call drivers from last year to insure a successful turn out.
 - Ted reported corner workers, ambulance, hotels, shirts and photographers were in the works and getting done

- IROC Ted complained about the difficulty he had reading the timing equipment at the Motorstadt regions event. After much discussion about his aging eye site he was encouraged to seek medical help or sunglasses before the next event.

Old Business:

- Spring Up: It was reported that this year had 40 cars and awesome cooking. Great weather, a wonderful location in the park for dinner and a kick-en Jazz Band made for a great time!
- The Gilmore Museum rendezvous was reported to be lots of fun with just one brief rain cloud that quickly moved on in no time. The new '60's muscle car exhibit seemed to be the hit of the event. This informal get together was appreciated by all that attended.
- Amber is still working on a good and inexpensive way to get name tags.

New Business:

- The Gimmick Rally and dinner drive hosted by Ted and Gabi will meet at the O'Malley's Grill on Alpine. Details are listed on the website
- Amber is counting the days until the picnic and concours event in Jenison. Everything is in place for a great event at Hager Park

Meeting adjourned at 7:55 PM

Somewhat respectfully submitted by Dave Reid.
