Discussion Items

1. Newsletter printing – Discussion of Glenn’s summary of costs and potential options. Decision to move to mostly e-delivery beginning with the May issue. Glenn will draft a summary to be distributed to the membership in the February and March newsletters.
 - a. If more than 15% of our members want to retain a paper copy, we will institute an annual subscription fee of \$25. Those wanting to a print version will need to notify Glenn by the end March.
 - b. Print copies will be retained for advertisers.
 - c. Online version will allow for direct linkage to advertiser site.
 - d. Frank will discuss needed website changes with Craig.
2. Enthusiast gifts – Decision to look at canvas bags with logo. For driving events, only the hosts are eligible for annual “thank-you” gift.
3. Winterfest – Discussion of ways to increase interaction among attendees. Consider club trivia, with clues in Uber pages at the table. We will need prizes for winners.
