# NO. 2

Congratulations, Lucky. You made it through my first issue, so here's another one to reward you for your valiant effort the first time around. Let's start out with something exciting like the minutes of the July Board Mtg.

Members in attendance included Steve Locke, Rick Riley, Paul Thieme, Chuck Olenyk, Doug & Shari Hoek, Milt Koukios, Dave Kramer, Bob Shedd, Phil Cull, Dan Dixon.

The Treasurer reported a balance of 395.71 in checking, and 507.64 in savings for a total of 903.35.

There was no report from membership and council.

It was reported that Lynne Olenyk would handle the Emporium at HOW for the vacationing Dunn's.

Under OLD BUSINESS, the Dunn's party was discussed, and everyone agreed that it was a good idea to keep that sort of thing in mind when we need a quick event.

Under NEW BUSINESS, it was reported that HOW was ready, except for the rally, and there would be no problem getting that together. There was an announcement of a party after the autocross at Cull's.

A motion for Bill Halleck, with a Porsche engine kit car, and Pete(?) Dykema with a Rabbit to compete in HOW was rejected.

A motion for Bill Halleck to compete in the HOW Autocross was passed.

The August IROC still needs timing help. We will use ropes and flags to block off the area. A party after the autocross will be held at the Moses' house. Food & drink procedure will be determined later.

The meeting adjourned at 8:50 pm.

I'd just like to remind you that this is your newsletter, so if there's anything you'd like to say in it... a "letter to the editor," or an article you think will be of interest to the members, or just about anything... hey, get it to me. I'm running out of things to print.

We have some members who are either new, or have changed addresses, so here are those so you can add them to your latest membership list.

Official mileage (is there such a word as kilometerage?)...let's just say distance...was 79.65 km. Trophies were given through 5th Place.

My apologies to anyone whose name I might have massacred in any way in the above results. The official results had some ink running right through the center of them, so I was flat out guessing on some of those. It's either a spilled beer, or they fell in the hot tub.

HOLIDAY ON WHEELS OVERALL POINTS

<u>Place</u>	<u>Name</u>	<u>Concours</u>	<u>Rallye</u>	<u>Autocross</u>	<u>TOTAL</u>
1st	L. Riddle	90.20	99.97	94.69	284.86
2nd	P. Riddle	90.20	99.97	85.27	275.44

5th	K. Wurth	100	0.00	88.10	188.10

As you can see by the results, Holiday on Wheels happened.

There was a pretty good entry, especially at the rally and autocross. We had a number of folks show up from Michigan-Indiana and Chicago Regions who certainly seemed to think that the drive was worth it.

We sure couldn't have had a better weekend for it. That's the first 4th of July weekend I can remember in about four years that it hasn't rained during at least one of the days.

In case you missed the parties, on Saturday night you missed seeing a new record in the Hoek's hot tub...25 people and almost one dog. For some reason, things were a bit more subdued the next night at the Cull's house...which was probably just fine with them.

If you missed HOW, there are still plenty of opportunities. The season is still young.

You can help WMR gain some participation points in the IROC series at MIR's IROC (flyer on the last page), which will be followed by a party at Teter's place nearby.

And our own IROC event is coming up in Ionia on Saturday, August 23rd. I hope you're definitely planning on that one. Like I mentioned last month, WMR has a shot at the overall championship this year, but eight or ten or twelve people can't do it alone. We've got over 75 members, so come on out to a great autocross on a challenging track, followed by a great party at the Moses' house (bring your swimwear.

Like I said, we have over 75 members, but I've met only about 30 of you in two and a half years. I'd like to meet the rest of you at the Ionia Fairgrounds in August.

In case you misplaced the flyer from the last issue, call Paul Thieme for any information you need (531-8258) Or me (458-4808). Or any of the officers listed on the front cover.

The space at right was originally intended to be a report on MIR's CROC autocross. But only a couple of WMR folks made it down there, and I can't get a reliable report on results at this short notice. So instead, use the space at right to draw your dream Porsche. Or use a separate sheet of paper. Just think. If anyone actually does this, I won't have to have any more blank spaces like this. We could even make a contest out of it. You might win valuable prizes!!! You might not, but do you really want to take that chance? Who knows...I might not be kidding. So start drawing, and get your dream Porsche in print.

# PORSCHEMPORIUM

The other thing I want to mention is Porschemporium. Charlie and Nancy Dunn are the new "proprietors," and they've already made some additions...like new T-shirts and sweatshirts, I understand that there will be some additions, so watch this space.
