BOARD MEETING...4/2/81

Meeting was called to order at 8:00. Members present were Charlie & Nancy Dunn, Rick Riley, Lance Weersma, Craig Paull, Steve Locke, Bill Moses, Paul Theime, Bob Shedd, Lynne Olenyk, Doug & Shari Hoek, Don Jones, Frank Wagner, and Janet Langdon.

UBER ALLES report: all material must be in by Wednesday, April 8 for the April issue.

March minutes were accepted.

TREASURER reported a balance of \$1921.25. MEMBERSHIP reported three new members to bring us to a total of 83 members. (Details elsewhere on this page).

EMPORIUM reported that Apollo shirt-works has been contacted, we will have t-shirts that will say "IROC Champs" on the back. Shirt prices will be up this year. Slides will be available for copies. Any member with slides is asked to share them with the club. A copy of your slide will be made, and your slide will be returned to you. A club history will also be made from these slides. We are still looking for car badges. (WMR car badge is displayed at the factory in Stuttgart, Germany.)

TECH SESSION reported 25 entries. The projected proceeds were \$55, actual was \$55.05.

WINE TOUR REPORT: We need people to help in a telephone campaign the week before the tour. We also need volunteers to help at the party site. Team leaders are also needed for the tour. If you would like to help in any of these ways, please contact Steve Locke. We will be visiting only two vineyards this year because of the large number of people to keep track of. IROC report: New event outline was presented. MSR, MIR, & WMR are putting on Grattan June 27 & 28. Insurance is necessary for June 26, 27, & 28 for track cleaning. MSR & MIR should both send \$200 each to our treasury for costs before the event.

DRIVERS SCHOOL: Craig Paull is chairman. Location is Transnational Motors parking lot.

NEW BUSINESS: Pre tech for Grattan is too much hassle.

A ladies non-competitive tour to Saugatuck is being planned for this summer. Tentative dates are August 15 or 22. There will be no charge. A telephone campaign will be necessary for this event. Doug Hoek volunteered to watch the cars while the ladies are shopping.

NEXT MEETING will be May 7th at Dave Kramer's, the following month at Steve Locke's on June 4th.

CONCOUR RULES SUGGESTIONS: 2 car per class rule should not cause bumping down. Points should be awarded for age and mileage. Paul Thieme will look into this and present a report at the next meeting.

Meeting adjourned at 9:04.

LET'S TALK AUTOCROSSING

by Nancy Lou Dunn

The season for fun has arrived! On Saturday and Sunday, April 4th and 5th, the courageous Western Michigan lady autocrossers took to their helmets and participated in the SCCA sponsored drivers school held at Eastbrook Mall in Grand Rapids.

The cold weather did not dampen the spirit of Sue and the green Rabbit (they do hop in circles, Sue), Jan and the brown Bimmer (Webers do turn off, right?), Lynne and the blue BMW (sniff...cough... too bad you got a cold. Next time don't forget the long Johns), or me and the hind wheel raising Scirocco.

Mention should be made that this tough crew of autocrossers took a male member of WMR-PCA into their confidence; even escorted him to lunch. Too bad he beat us all...had to be that silver 914 he drove...unfair advantage.

Sunday morning practice included piloting the machines through a pylon garage, decreasing radius turns, esses, and a 360. We all agreed that this part of the day was work.

Timed runs were made on a faster course...we all went wild. Cheered on by the presence of three local hot shoes (Bob Shedd, Frank Wagner, and Charlie Dunn), who attempted to stay warm by sitting coolly in two gorgeous 914's on the sidelines, motivated us to put on a good show of our skills.

The graduation held at la Cantina allowed us to exchange our enthusiasm and consume an awful large amount of Sangria.

The first driving event of the season left all of us with sore muscles... arms, backs, and shoulders...maybe we should start physical conditioning during the winter months. We're all looking forward to the next event...the more practice we get, no matter what the car, the faster and meaner we'll be once we strap ourselves into the Porsches. Look out hot shoes!!!

Thanks to the SCCA members who chaired this event, and to all the instructors for an enjoyable, educational driving day.

Misc. Items

You'll notice somewhere near the back of this issue of UBER ALLES that there's information on this year's IROC series. That's about all you need to know at this point. The only thing I might add is that it was written for folks in all the regions. So when it talks about three out of town dates, it doesn't take into account those of us who live in the Western Michigan area. We've only got one trip out of town, and that one's well worth it. (Road America)

Both Grattan and Ionia are within about a half hour drive of Grand Rapids. So don't let those opportunities slip by.

The track at Grattan is a very challenging road course. The map shows the variety of turns, but doesn't show the elevation. Up and down hills, some turns banked, others with negative camber...a whole lot of fun, and this is a rare chance to try your hand at it. So don't waste any time getting your entry in for any of the three IROC events. Support the club in its effort to hang onto the championship, and have a whole lot of fun doing it!

The next board meeting will be at Dave Kramer's apartment, at 434 Cherry SE. The doorbell at the main door doesn't work, but you can go to the door to the right of the main entrance. That bell works.

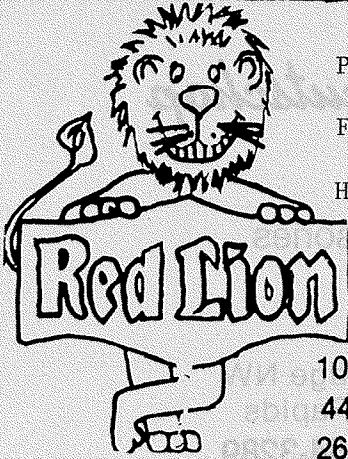

The June board meeting will be at Steve Locke's house, 1635 Oxford SE.

All of these board meetings are on the first thursday of the month, at 7:30 pm (or thereabouts).

As far as the council goes (that's the West Michigan Sports Car Council for those of you who've forgotten), this Sunday, if you can haul yourself out of bed after the wine tour, the Furrin Group is spending the day out at Cannonsburg Ski Area on a dirt go cart track. A few of you tried this one Saturday evening last fall. Those who didn't might want to ask Frank Wagner, Jan Langdon, Thieme's, Olenyk's, Bob Shedd, among others, how much fun you can have with only 3 to five horsepower.

Also there's a WMR-SCCA rally coming up on May 3rd, in the Kalamazoo area, but I don't have any details on that yet. If you really want to run that rally, call Dave Kramer (I should have details soon) or any member of SCCA you happen to know.

Did any of you folks out there with club equipment ever call Chuck Olenyk to tell him what you have? Why not? Well, give him a call soon. I'm sure he'd be happy to hear from you (I think I have the club stapler, Chuck. Sorry I didn't call).

ACHTUNG! ACHTUNG! All Western Michigan
Porsche Pushers:

This year, Porscheemporium has added
a new dimension to its "goodies." We are
going to maintain a slide library to serve
as a club "history in pictures." Any
slide can be reproduced as a slide or a
print.

We are looking for donations or loans
(we will copy and return the original)
to expand the collection. Call Nancy or
Charlie Dunn at 243-8065 if you have any
"infamous" additions.

IROC - "1981"

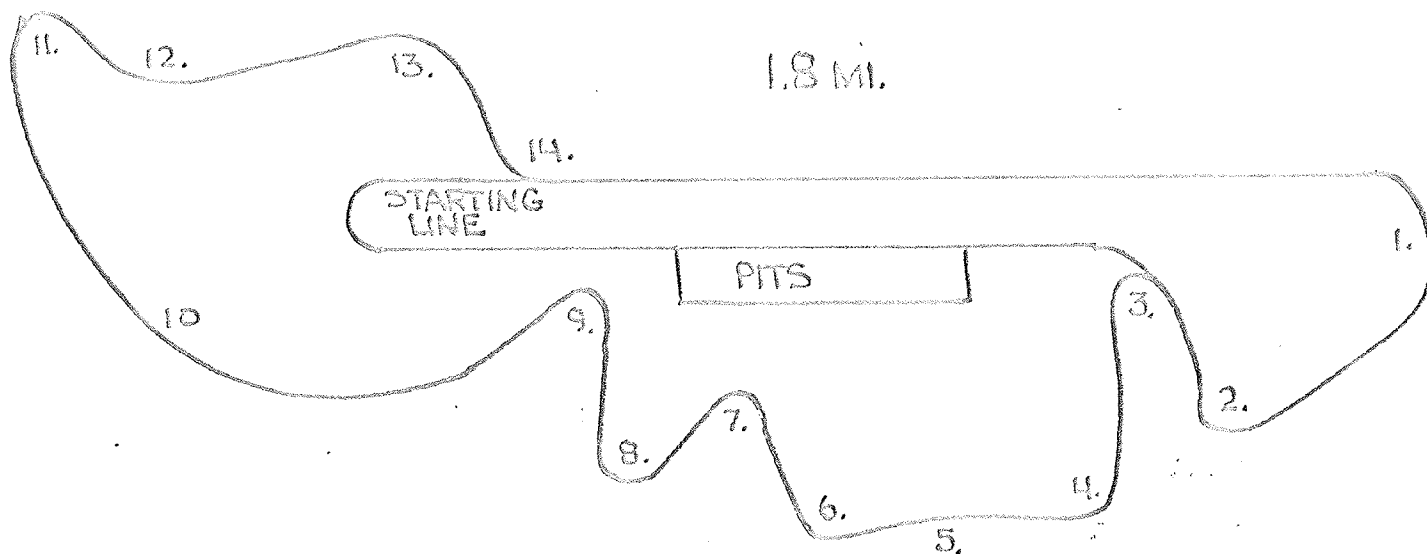

GRATTAN'S BACK

Western Michigan Region (WMR), Motor Stadt Region (MSR) and Michigan Indiana Region (MIR) will tri-sponsor an IROC event at Grattan Raceway this year. The Grattan event will be MSR's and MIR's IROC event for the series. There will be no IROC at Plymouth or Owosso Speedway this year. The IROC series for 1981 will be a three event series. The over-all winning region champion will still be based on a percentage of participation from each region for each region to win the traveling trophy. For overall class champions, overall class trophy's will be based on competing in more than one individual event up to three events. Example ----- two 1st's would qualify you (200 points) but three 2nd's could win your class for the overall (80 points x 3 events = 240 points). This should increase participation plus you only have three weekend expenses out of town this summer to run in IROC. The three events for IROC this summer will be:

ROAD AMERICA	May 23/24
GRATTAN	June 27/28
IONIA	Sept. 20

Grattan is a 14 turn, 1.8 mile, very challenging road course. It will be a big plus to the IROC series. This year IROC will be a better auto-x-ing series, so come out and support your local region.

A NEW WAY FOR KIDS TO
PLAY IN THE DIRT!

Join us in another exciting episode in the chronicles of the Furrin Group: "The Furrin Group Goes Karting." Yes, koles, and we're doing it in the dirt. That's because Camonsburg doesn't have a paved track. But isn't that the way we like it?

WHAT: A social occasion plus a little rest of driving skill on the side (or on the ground, which is practically where you sit in one of those contraptions).

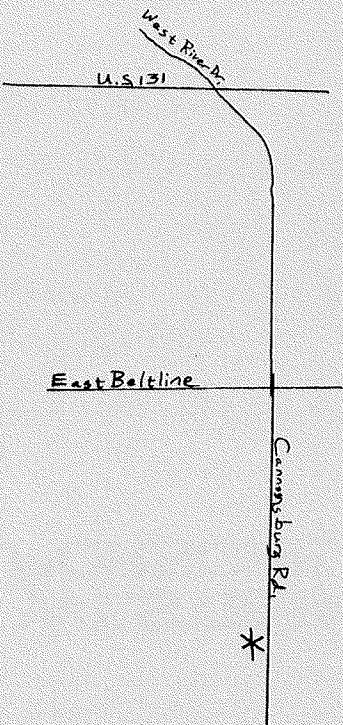

WHEN: Sunday, April 26,
12 Noon

WHERE: Camonsburg Ski Area (6 Go-Cart Track)
Camonsburg Road, east of the
East Beltline

WHY: When have we ever needed a reason?

COST: \$7.00 for any member of a WNSCC club
\$8.50 for non club members
(Furrin Group membership applications will
be available at the site)

Bring your helmets, and don't wear your Sunday best.
