BOARD MEETING ...JULY 2, 1981

Members present: Steve Locke, Chuck & Lynne Olenyk, Dave Kramer, Rick Riley, Frank Wagner, Jan Langdon, Paul Thieme, Dan Dixon, Milt Koukios, Lance and Juanita Weersma, Craig Paull, Bob Shedd, Phil Cull, Charlie & Nancy Dunn, Doug & Shari Hoek

MEMBERSHIP reported a new member, bringing our total to 90 members. He is Doug Dykstra. Jan also indicated that she was running out of cards, and was instructed to go ahead and order more.

TREASURER reported a checking account balance of \$509.06, and a savings account balance of \$1035.39.

IROC Report: times from Grattan will be posted in the July UBER ALLES.

UBER ALLES reported that due to decreased printing costs, we will probably break even on the year. The deadline is still the board meeting each month. We will probably see more photos now.

GRATTAN MIDWEEK: was a break even event. Earlier planning and better publicity is needed for next year.

IROC AT GRATTAN was also a break even event. Bad timing resulted in conflicting events drawing possible entrants. Discussion followed about WMR possibly putting on a Grattan event next year, but not as an IROC...maybe as a drivers school.

LADIES TOUR: had a small turnout. June may have been a bad month with too many things going on.

TIMING EQUIPMENT: Charlie Dunn is still looking into additional timing capability.

HOLIDAY ON WHEELS: Everything's set.

COMING EVENTS: Our August Rally is the 22nd, IROC at Ionia is Sept. 20.

A NOMINATING COMMITTEE for next year's officers was appointed, consisting of Frank Wagner (chairman), Nancy Dunn, Rick Riley, and Paul Thieme. Their first meeting will be July 18.

WINTERFEST: Juanita Weersma, Lynne Olenyk, and Jan Langdon will co-chair. Deer Run Country Club and Pietros were mentioned as possible locations.

NATIONAL NEWS: we have a new insurance form that no longer allows hill-climbs.

NEW BUSINESS: Since our insurance now allows cars other than Porsches to compete, there was discussion on WMR holding an open autocross, possibly in conjunction with another club, using SCCA Solo II rules. Dave Kramer moved that we consider holding such an event next year. Bob Shedd seconded. The motion carried by a vote of 11 to 1.

Frank Wagner is looking into scheduling a date in August for a Grattan driving event, and possibly a June midweek.

Meeting adjourned at 9:50 pm.

LADIES TOUR to SAUGATUCK

by Nancy Dunn

The first Western Michigan Region Ladies Shopping Tour took place on a sunny June 20th, starting with a continental breakfast at Debbie Locke's home. A small caravan left for Saugatuck for a full day of browsing, bargain hunting, and turning down the \$800 works of art and \$318 crocheted blouses. A mid-day lunch at the Hotel Butler was eagerly consumed as sailboats passed by the restaurant.

A crew of WMR sailors (Phil Cull and Doug Hoek) captained by Rick Riley cruised into Saugatuck to check on the gala event, and to convince the ladies that the vessel was the newest creation from Weissach.

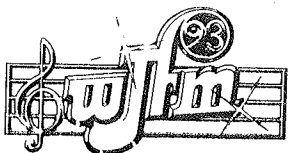

The event was enjoyed by all involved, and a second tour will be placed on the calendar next year.

ATTENTION ALL YOU NAMELESS PERSONS !!!

Or at least those of you whose names we don't know because you don't have a name badge. Jan Langdon would like to remedy that situation. If you need a club name badge, she needs to know. This applies to affiliate members as well as regular members. Also, if you bring your kids to the events regularly, Jan will get badges for them so they can be easily identified. Isn't she a nice person? Call her and tell her what a nice person she is, and ask for a name badge at the same time.... 245-0981.

The next board meeting is on Thursday, August 6th, at the Olenyk's, 6416 Egypt Valley NE, at 7:30 pm.

Remember that the September meeting will be held on the first Wednesday, rather than Thursday...Sept. 2nd, at the Cull's, 1930 Cornelius SE.

Election time is coming up. It may seem early, but you can't start too soon to plan for a successful year. So the nominating committee is preparing its slate to present to the board, and this slate will be announced in the next UBER ALLES. After that it's up to you to vote for your next year's officers. ~~Thixxxx~~

A look around at coming events in the Western Michigan area reveals that the other sports car clubs are plenty busy.

On August 1st, SCCA is holding a gimmick rally starting from the Holiday Inn South on 28th St at US 131. Registration is 11 AM, with first car off at noon.

For the masochists among you, the Furrin Group is holding their annual Midsummer Night Rally...an all night TSD rally beginning at 5PM Saturday, August 8th, at the Westgate Bowl on Alpine Ave. NW.

The Furrin Group also has an auto-cross on Sunday August 23, at the Cedar Springs High School, with registration beginning at 9:30 am, practice beginning around 10:00.

And an event of special importance is on Sunday, September 6th. Furrin Group is holding a gimmick rally on all paved roads, with proceeds going entirely to the Muscular Dystrophy Rally.

Entry Forms for that one are available at German Auto Service.

Holiday on Wheels 1981 was another in a continuing series of successful events. The weather was perfect for the first weekend in a long time. (So what if it was a bit too warm at times...there was plenty of beer to solve that problem at the end of the day.)

You can see in the results who the winners were. Congratulations to Craig Paull, who stuck around in the country long enough to take his second Overall HOW Championship...to the Richardson's for their win in the Paradox X Rally... to Charlie Dunn for FTD at the Lear Siegler Autocross...and to Paul Thieme and Kurt Wirth for their 1st place finishes in the Concours at the Calder.

Unfortunately, your editor was too lazy to get his camera out for any action shots (other than in the hot tub, where there was plenty of action, believe me). But some slides were taken that should show up in Porschemporium's collection before too long.

What else can you say? If you missed it, you can get a little taste of what you missed by showing up at the IROC autocross and party in September. Hope to see you there.

Thanks to Rick Riley, Paul Thieme, Dan Dixon, Milt Koukios, Phil Cull, Lance Weersma, Doug and Shari Hoek, and all the rest who helped pull HOW '81 together. It was great.

Two thirds of the IROC series is done. The joint event sponsored by WMR, MIR, and MSR took place June 27 and 28, and the weather cooperated (except for a few moments on Sunday) very well, thank you.

The turnout was not overwhelming, but that meant more track time for those who did show up. There were definitely no complaints in that department.

Everyone who ran was scheduled to work in some capacity, and most of the time things went very smoothly.

WMR had 17 entries out of 46, and that should help a little in keeping the overall IROC championship this year. But it's still going to be decided at the last event of the series at Ionia. That's our home event, and the kind of support that we saw last year will certainly help in hanging onto the championship. (Last year WMR brought out over 30 drivers! Very impressive.)

As far as the results of the event go, you can see that WMR took home its share of the hardware, including Ladies FTD going to Nancy Dunn for the second time this year. (She took it home from the Road America IROC earlier this year.)

Other than that, there isn't much to say...except we'll see you at Ionia. We really need your support at this one.

In the results, the underlined time is the fastest time. Also, because there were many classes that didn't have enough cars to make a class (it takes 3), there were a number of classes that were combined. However, this was only for the day's event. For overall IROC points, cars will be given first place points for the class in which they belong, even though they were bumped higher for the day.

Chinese Menu Rally

What, you may ask, is a Chinese Menu Rally? Good question. Ask Chuck Olenyk. Let's just say at this time that it is a rally of the gimmick variety that should challenge novice and experienced alike with devious traps that will make Chinese Water Torture seem like a picnic. But don't let that scare you. Come out anyway, and see just what kind of Oriental philosophy lurks in Chuck's mind.
