July Dinner Drive Hosted by Dan & Ren Phillips: American LeMans Series racing at The Score!

Join us on Saturday, July 19 2008 for a beautiful country drive, followed by the televised broadcast of the Mid-Ohio AMLS race at *The Score* on Northland Drive.

We will meet at **Townsend Park at 12:30 pm** to enjoy each others' cars and company until we depart at 1:00 pm sharp for a brief tour of the surrounding area. Townsend Park is located at 7999 Cannonsburg Road, which is 6 miles east of Northland Drive (East Beltline). Turn off Cannonsburg Road onto Ramsdell and travel north by about 1/8th mile to meet us in the parking area on the north side of the park.

We will arrive at *The Score* sports bar and restaurant between 1:30 and 1:45, where we have reserved the covered patio that overlooks the adjacent lake. (If it's too hot, we can always move inside) The Score's covered patio sports two large flat-screen televisions that will show NBC Sports' broadcast of the Acura Sports Car Challenge ALMS race beginning at 2:00 pm.

'One of the classic sports car venues in North America, Mid-Ohio marks the running of the second annual Acura Sports Car Challenge. A strong contingent of Acura teams, racing in American Honda's backyard, will look to make their mark on a circuit where Porsche has dominated the past two years.'

**WMR PCA Family Picnic
and
Topside Concours
Saturday, August 9, 2008**

Join your fellow Porsche Enthusiasts for a day of fun, food and Porsche finery.
The event will be held at the "The Barn" located on the grounds of
Covenant Community Church 4276 Baldwin Rd. in Hudsonville.

Car prep can begin as early as 10:00 for those who wish to participate in the Concours event
and earn some bragging rights. You do not have to be a "clean freak" or have a "garage queen"
to join in on the fun. Just wash that Porsche beauty and show her off!

We will plan to eat around 12:00. Grilled chicken, burgers, beverages and tableware will be provid-
ed. Bring a lawn chair and a dish to pass or 5.00 per person if you want to come empty handed.

Please RSVP by Tuesday August 5 to help us plan for the grill items.

If you have any questions give us a call.

American LeMans – Porscheplatz

Do ya wanna PorschePlatz? It's that time to do the Zone 4 Porscheplatz!

The Porscheplatz, (or Porsche Owners Corral) is a benefit to Porsche owners - sponsored by Porsche Cars North America and Porsche Motorsports, in cooperation with the International Motorsport Association (IMSA) and the American Le Mans Series. It provides Porsche owners a designated secured parking area and much more during the weekend Le Mans Events. The first Zone 4 hosted corral is scheduled for **July 17 – 19** during the **Acura Sports Car Challenge** at Mid-Ohio. The second Zone 4 hosted Porscheplatz is just a short drive away at the **Belle Isle Detroit Sports Car Challenge** scheduled for **August 29 – 30**.

Throughout the weekend there will be events in the tent within the car corral. The tent provides a spot out of the sun, a large screen TV tuned to the race, and beverages for attendees. The tent also holds a PCA membership station and a venue for presentations from representatives of Porsche Motorsports, Michelin Tire, Mobil 1, the IMSA Safety Committee, as well as a Penske RS Spyder driver, as well as drawings for tires and the coveted Pit Pass for the race. The car corral is a great place to hang out between events and "kick" a few tires with fellow enthusiasts as participants gather to take touring laps of the track on Friday and Saturday evening.

Interested in volunteering as a Zone 4 member or just interested in attending a great Car event? Check out these websites for more information ----

MAY DINNER DRIVE REPORT:

John and Marshall Walters hosted a dinner drive on Saturday, May 31st. The day started out a bit gloomy, but luckily the wind died down a bit and the sun came out before the group gathered at the designated gathering spot. Some of the hardy adventurers came from as far north as Muskegon and others from south of Kalamazoo. For well over an hour, the trail of beautiful and awesome German cars (18 in all) paraded through the winding roads of western Allegan County and around the shorelines of Gun Lake and Gull Lake. Not as much livestock as last year, but the wildflowers were beginning to bloom and the trees were in full spring greenery. Some were disappointed that there were no dead-ends on this year's drive; but there was one interesting, albeit brief, wrong turn as our fearless leader, John, took us on the Porsche version of "off-roading" - - a u-turn through mowed grass on a private drive!

Additional club members (and their cars) were ready to greet us at *The 747 Neighborhood Bistro* in Plainwell as we convened at the end of the drive. There, we enjoyed not only good food (and many of us also enjoyed one of the many yummy desert offerings), but also a classic rock band! No one got up to dance (the room was a bit crowded, with our entourage of 45 or so), but there was some foot-tapping and multiple shows of appreciation for the band. Definitely an enjoyable way to spend a Saturday evening -- good friends, lovely cars, and great food (with the occasional adult beverage included)!

John and Marshall are already looking forward to hosting another drive in 2009!

DRIVER'S EDUCATION - TRY IT, YOU'LL LIKE IT! PART TWO by Valerie Roedenbeck, Rally Sport Region**HEAD OUT THIS SUMMER!**

Attending at least one DE with your Porsche (no matter what year or model) is highly recommended, even if you don't aspire to become a race car driver. A DE will give you the opportunity to experience why, beyond their beautiful shape, Porsches are some of the most revered sports cars in the world. You can spend a lifetime driving around town and on the highway and never quite experience the limits and cornering ability of your car. You can speed on a straight road, but never experience the car's true braking power and acceleration out of corners. A DE won't only make you a more confident driver, but an even more reverent Porsche lover.

Some of you may not yet own a Porsche, but don't let that deter you from participating in a DE. I've seen many different cars at DEs, including Ford Focus, VW Jetta, BMW sedans and even a Honda Odyssey (being tested by engineers). The first time I attended a DE, I was the very proud owner of a new VW Golf. It still had my bike rack on it (guys there called it an "air brake") and I had to take the plastic wheel covers off before my run. Everyone was nothing short of friendly and encouraging as I experienced driving faster for the first time. On my last event, a guy was driving his wife's Lexus sedan because his own car was out of commission. Guys at the track ribbed him ("don't forget to take the lipstick out of the car!") but he held his own and had a great time.

The only negative aspect of attending a DE is that you'll find yourself thinking about the line and a turn's apex on your way to work. For days after, you'll process what you've learned. And if you're like most Porsche lovers, you'll be back. See you at the track!

Cheat Sheet: A Typical Novice DE Day

Night before: complete medical form, look over tech inspection. Pick out long pants and long sleeve tee (cotton only). Pack plenty of water for a busy day outside. Refrain from having one too many drinks, or else hot laps with your instructor will NOT be fun! (Based on personal experience, instructors aren't too keen on you getting sick in their car!)

7:00 AM: Head to the track, find a comfy parking spot (tip: try to find a shady spot). Remove all loose items from your car (this includes loose floor mats, decorative items, air fresheners, Celine Dion CD, umbrellas, stuffed animals, workout bag, etc). The glove compartment and trunk should be empty as well. (My brother once "borrowed" his wife's new M5 for a few laps. She didn't have time to empty the trunk and when he returned, there were Goldfish and sippy cups e-v-e-r-y-w-h-e-r-e!)

7:30 AM: Tech inspection. Look for the line of cars near the registration table. Bring your completed tech inspection form. (Your mechanic or dealer should complete this form a week or two *before* you head to the track.) Club volunteers will look over your form, ensure there are no loose items in your car, check your helmet (unless you're borrowing one from the club) and give you the OK to complete registration.

7:45 AM: Registration. Head to the registration table where you will receive a packet containing instructions, a schedule of events, a tee-shirt, car number decals and loaner helmet (if you requested one). Apply the number decals to the upper center of your windshield. (No worries, Porschephiles—they come off very easily).

8:00 AM: Mandatory driver's meeting. Here's where you meet your instructor for the day (or weekend) and get basic instructions regarding event flow and use of the track.

9:00 AM: Day starts. Generally, beginners (novices) will head to the classroom first.

10:35 AM: Line up. Hop in your car, secure your helmet nicely (ask your instructor to check you if you're not sure). Head over to where the cars in your run group are lining up. Your instructor will find you among the lineup and hop in.

10:40 AM: Novices on the track. Relax, listen and have fun!

12:30 PM: Lunch. Drink lots of water! Keep the meal light if you have queasy stomach (see footnote 1).

1:30PM, 3:30 PM: Novices on the track. Each time you get behind the wheel the track should feel more and more familiar, and you should notice improvements. If there's a classroom session between run times, do attend and ask lots of questions.

4:30-5:00 PM: End of the day. Thank your instructor and head home (or, if this is a two-day event, on to the social events).

SO YOU THINK YOU KNOW HOW TO DRIVE?!?
FIND OUT WHAT IT REALLY TAKES AT THE
GRAND PRIX OF GRATTAN DRIVERS' EDUCATION EVENT
SEPTEMBER 19, 20, 21, 2008

The event is limited to 80 Participants – 15 Novice, 65 Experienced – REGISTER NOW @ www.clubregistration.net

Grattan is one of the finest road courses in America. It is located only 20 minutes northeast of Grand Rapids. The 2-mile course is winding, hilly and has a complex assortment of almost every conceivable corner imaginable. The 10 turns include both uphill ascending and descending radius turns, a flat out dog-leg off the 160 degree hair-pin turn, a hidden apex, a Monza bowl, "S" turns, and even a downhill reverse-camber turn. It has been said that if you can master Grattan, you can drive anywhere! It also allows spectators the most viewing surface to watch, with 90% of the racetrack visible from one seat.

If you are new to road courses, you will experience first-hand how to manage your high-performance automobile in a controlled, closed environment and acquire skills that will enhance safer vehicle operation in everyday driving conditions. Each novice will be assigned an instructor and will be a Drivers' School Participant.

The event format is as follows:

Friday, September 19 is set aside for ADVANCED Drivers' Education only. Prior track experience, either at Grattan or other tracks, is required. NO EXCEPTIONS! Novices are welcome to help – and will benefit from learning more about the track.

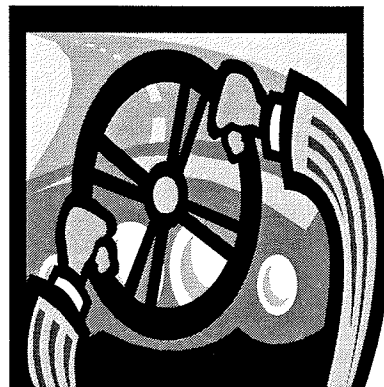

Saturday, September 20 and Sunday, September 21 will be Drivers' Education with full instruction and professional corner worker support. Novices will begin each day with DRIVER'S SCHOOL before starting track activity with assigned instructors. Saturday night, the *Western Michigan Region PCA* invites you to join us for a TRACKSIDE BANQUET.

Sunday September 21 will complete the Driver's Education instruction at noon, followed by TIME TRIALS in the afternoon. All experienced drivers are welcome to participate. Drivers with no track experience prior to this event are not eligible for time trials.

During lunchtime on Saturday and Sunday, we will have low-speed TOURING around the track. The "cost" is a \$20 donation, which will be given 100% to the designated WMR Grattan Grand Prix charity. Lunch is available at the track on all three days.

Funny,

it doesn't look like a signature...

but it is.

A good mechanic will often mark a part with a small dab of paint. It's in a unique color, and lets him know where he's worked on that car.

It also lets other mechanics know who's been there before. And a good mechanic, especially a Porsche® mechanic, isn't going to mess up for all the world to see. It's a matter of pride that would allow a person to sign his work.

At Autobahn Extremist we have that pride. It shows in the work that you can see. And it shows in the work that you can barely see.

PORSCHE2OXFORD SET FOR JULY 26th

Porsches2Oxford will take place again this year on the quaint brick streets of scenic uptown Oxford, Ohio on Saturday July 26th. This is the fourth year that this annual event has taken place in Oxford – after spending its first two years in Pinckney, Michigan.

Last year over 250 Porsches from fourteen states and Canada attended P2O and Co-chairman Brice Kadel estimates that this year there will be over 300 cars present. Kadel said, "There is an upcoming Pano article written by PCA National President Prescott Kelly that should go a long way in promoting Porsches2Oxford as one of the premier Porsche events in the country. We hope his article -- along with improved marketing efforts and an established track record -- will all help us in attracting more cars and people than in the past."

Returning again in 2008 as major P2O sponsors are both Griot's Garage and Beechmont Porsche. Kadel added, "Thanks to our many sponsors, we are able to continue to provide a first-class event with an entry fee of only \$20 per car (which includes both an event T-shirt and poster). Last year we awarded over \$3,000 in fantastic door prizes and over 35 car show awards. This year promises to be even better!"

There are still plenty of places to stay for those wishing to spend Friday and/or Saturday nights in Oxford. Although the Elms Holiday Inn may be full, there are still numerous other lodging opportunities in the area.

The Marcum Conference Center and Inn (located on the Miami University Campus) has over thirty rooms earmarked for our group. The Marcum offers regular rooms and suites with rates starting at \$79/night plus tax. They have agreed to supply a water source so that guests can wash their cars during this weekend. Their phone number is (513) 529-2104.

The Best Western (phone (800) 523-4678) and the Hampton Inn (phone (513) 524-0114) are both also reserving rooms for our group. Prices at these hotels start at about @ \$100/night plus tax.

For those wishing to stay at a bed and breakfast, Maplevale Farm Bed and Breakfast has set aside rooms for those attending P2O. They can be contacted at (877)50MAPLE or by visiting www.maplevale.com.

When contacting any of the above, please mention that you are with Porsches2Oxford to get any available discounts. P2O encourages those planning on attending to book their room(s) as soon as possible.

For more information about this unique event, please visit: www.porsches2oxford.com where you can register on line.
