# Western Michigan Region's Annual Charity Drive

*Text and Photo by Amber Door*

WMR PCA has a long tradition of giving back to our community, and thanks to the generosity of our membership, that tradition continued in 2010. If you attended any WMR event this past year, you were sure to have encountered the 'Change for Charity' bucket. This is the 4th year that our members have dug to the bottoms of their purses and pockets at each event to feed the bucket for the selected WMR Charity. In 2010 that 'change' added up to \$482.00 towards a donation to the Calvary Church Benevolent fund in the name of Bob Friday who lost his battle to ALS earlier this year (see the August 2010 Über for more information). This fund provides assistance to anyone in need. In addition to the charity bucket, WMR raised monies for the 2010 charity from the sale of our special edition 50th Anniversary T-shirts, auction items at the 50th Anniversary banquet, during the Grand Prix at Grattan Drivers Education event through lunch charity laps, as well as donations for breakfast and snacks. Because of the generous donations of the aforementioned items 100% of the money collected has been donated to charity. So what did the final total come to, you ask? If you donated in any way, give yourself a hand, because with everyone's help we were able to give \$2,835.00 in 2010.

So what about 2011? The tradition will continue, but the Charity is yet to be determined. Do you have a charity that you would like to see the bucket filled for? If so, the board is open to suggestions for the upcoming year. We would love your help with promoting your charity throughout the year and helping out with the fund raising at the Grattan DE in September. If you would like more information regarding what this would entail please contact any of the WMR board members.

## **Dinner Drive to Leo's Seafood Restaurant**

*Host: Rick Riley*

Well..the tree is down, the socks that you hung by the chimney with care are neatly folded and put away. You watched the ball drop and toasted the new year, and you have all your New Year's Resolutions carved on a stone tablet some where. The holidays are over and you still have 3 to 4 months of lovely winter weather before you can think about summer driving. What to do?

I have an idea, Let's all go to Leo's Restaurant in Grand Rapids, and gather with our Porsche Club friends for some excellent food, adult beverages and camaraderie! That will liven up an otherwise humdrum Wednesday evening!

If you have the flexibility, the new Grand Rapids Art Museum is open, and Leo's is just around the corner. The fun part of dinner drives is even if you live in far off places like KALAMAZOO you can be home by 11:00PM! Ha!

We will gather @ Leo's Wednesday January 12th. @ 7:00PM (Some of us maybe a little early for drinks.)

Please RSVP to Sarah.Lewis@grandxray.com or call her @ (616) 459-0145. Hope to see you there!

Location: Cascade Hills Country Club  
3725 Cascade Rd SE, Grand Rapids, MI

You are cordially invited to join us on Saturday, February 19th 2011 at Cascade Hills Country Club for your Porsche club's annual Winterfest celebration!

This year's gala banquet will knock your socks off. Set against the backdrop of the beautiful traditional clubhouse inspired by the architecture of Normandy, France, the expert chefs at Cascade Hills will impress you with their culinary expertise. And your friends in the Porsche club will ensure a fun-filled evening with door prizes, awards, and the warmth of friends new and old.

The cost this year will be \$45 per person, with a cash bar available. Menu choices will be offered on your RSVP card, which shall arrive shortly with your mailed invitation. Please be patient, we are working on getting the invitations out as soon as we can. But please save the date, and plan on enjoying a fun and light-hearted evening with your fellow Porschephiles in this classically beautiful Grand Rapids location.

# Upcoming Events: 15 January Road Trip to the 2011 North American International Auto Show

*Ron Carr, PCA Zone 4 Representative*

I would like to celebrate the return of Porsche A.G. to the North American International Auto Show being held at the Cobo Hall Conference & Exhibition Center in Detroit, Michigan from Jan. 15-23, 2011. After a three year absence, they return in 2011 to introduce a new concept car, and I thought it would be fun to plan a gathering at the Porsche Display around noon on Saturday for a Zone 4 'Meet and Greet'. You may wish to plan a weekend trip to the Motor City – it can be a great family weekend adventure in the midst of winter:

- Hotel: We have a block of 10 rooms for Friday, January 14th and 20 rooms for Saturday, January 15th at the Dearborn Inn (Marriott) near the Henry Ford Museum. Use the Porsche Club rate code 'PRCPRCA' to obtain the room rate of \$109/night. You must reserve by 5:00pm, December 30. Contact The Dearborn Inn, A Marriott Hotel, 20301 Oakwood Boulevard, Dearborn, Michigan 48124 USA, Phone (313) 271-2700, Fax (313) 271-7464, or <http://www.marriott.com/hotels/travel/dtwdi?groupCode=prcprca&app=resvlink&fromDate=1/14/11&toDate=1/16/11>.
- Shuttle Bus Service: provided by the Auto Show to and from Cobo Hall, leaving from the parking lot of the Henry Ford Museum (across the street from the Dearborn Inn). The shuttle will run every half hour all day and will drop off and pick up at the door of Cobo Hall. Cost should be under \$10 per person.
- Dinner Gathering: Saturday Evening around 7:00 PM for all Zone 4 members (Individual Pay), location either at the Dearborn Inn, or a restaurant close by the hotel.

WESTERN MICHIGAN REGION: Grand Rapids locals are meeting on Friday evening at 6:00 pm for dinner at Romano's Macaroni Grill in front of the Cascade Meijer, targeting a 7:00 pm departure for Dearborn. *For all attendees making other travel plans, it is up to you to coordinate with others who may wish to travel with you.*

## In Review: December Appetizer Party

*Text and Photos by Gabi Blacklidge*

The warmth and joy of the season filled our home on Saturday, December 4th when Porsche friends joined us for the Annual Holiday Appetizer Party. The cooperative weather helped make the event a success, enabling Terry & Dorilee Scheible to join us from Portage; Don & Helen Szama and Kathy & Mark Bonnema to drive their Cayennes; and Dan & Ren Phillips to drive their Boxster . . . as usual!

Craig and Chris (aka "Kringle") Ackerman co-hosted the party with us – Craig dishing out the egg rolls and Chris organizing the informal wine tasting. Everyone who

shared their wine received the festive red, white & green dishcloth that Chris crafted to disguise the wine labels. Don & Helen were winners in the red wine category and Len & Bonnie Gawron in the white wine category. Of course, there were many delicious appetizers to enjoy, with nary a duplication – a testament to the uniqueness of WMR club members!

Thank you all for sharing, and happy holidays and safe travel!

*- Ted & Gabi Blacklidge*

# In the Zone: A Letter to All Members of PCA's Western Michigan Region

Ron Carr, PCA Zone 4 Representative

visit us at: [zone4.pca.org](http://zone4.pca.org)

Happy New Year to all of the members of the Great Lakes Zone (Zone 4) of the Porsche Club of America!! I wanted to start out the New Year by providing all of the regions' members some insight into what is going on in the surrounding sister regions of Zone 4. I plan to provide a regular stream of information to your newsletter editor with timely information about events in and around the Zone.

First, for the newer members, a brief description of the PCA organization. PCA is currently composed of 139 Chartered Regions in the United States, Canada, and Puerto Rico with over 58,000 members. These Regions are further grouped into 13 Zones, arranged geographically, and each consisting of approximately a dozen Regions. This 'zone' structure allows for more efficient communication between the PCA National Executive Council, the national staff, and the individual Region Presidents and Boards. In Zone 4 we have almost 4200 PCA primary members, and an additional 4000 affiliate members divided amongst the 12 Regions. Our geographic area includes Michigan, Ohio, most of Indiana, and the western portion of Pennsylvania.

My 'job' as Zone 4 Rep. is to assist in communicating between the zone membership and the national staff, and vice versa. As region members, your first source of information, of course, should be your Region Officers- they know the specifics of your Regions' policies and procedures. If there are questions involving national rules or regulations they will communicate through me to the appropriate national staff member. Likewise, I will communicate information from the Executive Council to the Region Presidents for their use and dissemination to the membership. Of course, you are welcome to contact me or any member of the nation staff directly - we are all here to help make your PCA experience a good one. Now, for upcoming zone events in the New Year:

- January 14, 15, and 16th we are planning a Zone 4 weekend in Detroit for the North American International Auto Show. We will be at the Porsche Display around noon on Saturday. See the information provided elsewhere in this newsletter for additional details.
- The Central Indiana Region will be celebrating their 50th Anniversary on the weekend of June 18th. Stay tuned for details.
- On the weekend of June 25th, the Vintage Grand Prix will be at the Mid-Ohio Sports Car Course in Lexington, Ohio. Porsche will be the featured Marque for the event. Information is available at <http://www.midohio.com/>.
- The Allegheny Region will celebrate their 50th Anniversary on July 23rd at the Pittsburgh Vintage Grand Prix at Schenley Park in Pittsburgh, PA. Porsche will be the featured Marque at this event also and they are hoping to attract 1000 cars to the weekend event. Information will be forthcoming on the Allegheny Region website or at <http://www.pvgp.org/pvgp/site/default.asp>.
- The P2O multi-region event will again be in Oxford, Ohio (near Cincinnati) on July 30th weekend. Come and be a part of a "Casual Porsche Party" that attracts over 400 cars from the surrounding regions.

If you have any questions or comments, please contact me. Hope to see you at an event soon!

# 911 GT3 Cup Car in the Race of Champions

*Text and Photos Courtesy of Porsche Cars North America*

Stuttgart/Atlanta, November 16 -- The Porsche 911 GT3 Cup is the most-produced race car in history. To date, over 2,000 vehicles have been delivered to customers around the world. And now, the 450 hp GT racer from Weissach belongs to the official competition cars at the Race of Champions, where a number of the world's most talented and famous racing celebrities from the most diverse disciplines come together in Dusseldorf, Germany on November 27 and 28.

Joining the ranks of the world class starter field is Porsche pilot Jeroen Bleekemolen. The 29-year-old driver from the Netherlands won the GTC class of the American Le Mans Series with Tim Pappas this season at the wheel of a 911 GT3 Cup and knows the car from many years of racing.

In 2008 and 2009 he won the Porsche Mobil 1 Supercup, the fastest international brand trophy series. In 2008 he earned a victory in the LMP2 class at the Le Mans 24 Hours with a Porsche RS Spyder.

In Dusseldorf, Bleekemolen will be up against the likes of Formula 1 pilots Michael Schumacher and Sebastian Vettel as well as World Rally Champion Sébastien Loeb and World Touring Car Champion Andy Priaulx.

“I’m proud to be part of the Race of Champions for the first time,” says Bleekemolen. “Obviously, I’m hoping to contest as many heats as possible with the Porsche 911 GT3 Cup - not one of the participating drivers knows the car like I do.”

The Porsche 911 GT3 Cup, based on the road-legal 911 GT3 RS sports car, is powered by a 3.8-liter, six-cylinder boxer engine delivering 450 hp. The spectacular-sounding race exhaust system features a fully controlled catalytic converter. The rear-engine concept and the wide track give the racing 911 excellent traction and razor-sharp handling. Pilots operate the sequential six-speed gearbox manually. Power from the high-revving engine (max. 8,500 rpm) is distributed to the wide rear wheels via a mechanical differential.

“I’m very pleased that the racing elite from all over the globe will be seen driving the world’s most produced race car, the Porsche 911 GT3 Cup,” says Hartmut Kristen, head of Motorsport at Porsche. “I’m sure that fans and drivers alike will have just as much pleasure in the spectacular sound and the superb handling of this vehicle.”

This marks the return of the Race of Champions to Germany since its first meet here in 1989. The event will be broadcast by the German national TV, ZDF. “Aktuelle Sportstudio” provides coverage on Saturday, with “Sportreportage” broadcasting the spectacular action from Dusseldorf’s Esprit Arena on Sunday. Get more information and follow the action on the event’s official site [www.raceofchampions.com](http://www.raceofchampions.com).
