Always remember, what happens in the corners, stays in the corners.

Live by right-foot intuition. By a desire for exhilaration around every turn. By a newfound balance. Live by the Code of the Curve. Unlocked only by the track-bred prowess known as the new Porsche Cayman. With mid-engine dynamics, increased horsepower, a re-tuned Porsche Doppelkupplung (PDK) for lightning-fast shifting, a lighter body and acceleration from 0 to 60 in 5.4 seconds you'll never see a curve the same way again. Unlock the Code of the Curve with a test drive. Porsche. There is no substitute.

The new Porsche Cayman.

Time to Drive Your Porsche Like You Stole It

John Walters
President, Western Michigan Region

I HOPE ALL OF YOU HAVE YOUR PORSCHEs READY for a new and exciting season of fun PCA events!

The board is very much looking forward to Porsche Parade 2013 in Traverse City. If you plan on attending and have not registered online, now is the time. There are many benefits to being registered. The hospitality room is great; you can enjoy beverages and snacks when you want. There is a posting board with member event tickets for sale if they cannot attend; additionally, this is a great place to socialize with friends, new and old. It is required to be registered to participate in any of the drives or competitive events, banquets, and the hospitality suite. The response so far is great. If you plan on staying in Traverse City, book your room now! And, if you are interested in helping out with a driving event (need cars for the middle and ends of the pack), please contact Len Gawron or Mark Bonnema.

We wish to thank our many advertisers in our publication, including a new face, Great Lakes Chemical, offering high-quality detailing services. Our advertisers come highly recommended by other WMR members who have received great service from them in the past. From Morris Builders to Claudio Kaempf's Foreign Car Services, we offer our members the best our Region has to offer!

Advertising in our Über Alles newsletter is a great way to reach a select audience of car enthusiasts with a variety of interests. Prices and options for advertisers are outlined on the Table of Contents page (and are quite reasonable). If you know of a business owner that would benefit from exposure to our classy group of readers, show them your newsletter, and encourage placing an advertisement with us.

Congratulations to Ed and Sandy Scott on their 30-year anniversary with the club, and to Rick Riley for his (drum roll please) ...40 years!

May Sporting Clays Event at Blendon Pines Gun Club

Hosts: Jerry Arens and Amber Door

Over the years, WMR has done a wide variety of events. So, to mix it up for 2013 we are taking you to Blendon Pines Gun Club for Sporting Clays, a form of clay-pigeon shooting that is described as “golf with a gun”. Unlike traditional skeet shooting, sporting clays uses 6 shooting stations laid out over natural terrain to simulate the unpredictability of live-quarry shooting, offering a great variety of trajectories, angles, speeds, elevations, distances, and target sizes. We have been assured that you do not have to be a sharp shooter to have fun at this event (which is going to be good for Amber).

This is outside and in the woods along a groomed trail. Please wear appropriate clothing & shoes. Eye and ear protection are **MANDATORY**, bring your own or purchase on site. The event cost will be \$22.00, not including gun (rent @ \$10.00) / ammunition (purchase @ \$6.95/box). You are welcome to bring your own shotgun. For those members that want to accompany another participant, but is are not interested in shooting, there is an indoor area available to hang out. Additionally, there are golf carts available if needed.

2008 Olympic bronze medalist Corey Cogdell

Following the event, since we are after all a car club, we will be taking a short drive for lunch to brag about our shooting prowess. Please **RSVP by Monday, May 13th** to Jerry Arens or Amber Door at (616) 457-4515, or email jdarens62@aol.com or Amdoor242@aol.com.

Gilmore Gathering

Hosts: Rick Riley and Kurt Wirth

What could be more enjoyable on a sunny Wednesday afternoon in June than a back-road blast down to the Gilmore Car Museum to enjoy all things automotive with your friends from the Porsche club?

We'll be on site shortly after 12:00 noon on Wednesday the 5th. Exhibits close at 5:00 pm, so if you would like to tour the exhibits you will just HAVE to take the afternoon off! Wednesday is cruise night (hot rods and other cool stuff), the Blue Moon Dinner will be open until 9:00 pm, and we have NO formal agenda planned...so please just come down and enjoy this jewel that is right in our back yard. No need to RSVP, just show up when you feel like it. See you at the Gilmore!

What the...?

It's a Porsche 911 Speedster...*factory prototype*... created in 1985...and it lives in West Michigan... Read the full story at <http://wmi.pca.org!>

Upcoming Events: June Tech Session

08 Jun

Pre-Parade Tech Session at Euro Autowerks

Hosts: Tim Thatcher, Clyde Sinclair

With our tech session scheduled just two weeks prior to the 2013 Parade, I thought it might be a good idea to allow you to schedule time on a hoist to complete any last minute cleanup that you can't get done at home.

Those of you driving in the autocross will have a chance to check your car out while in the air. We'll also have scales available for the more serious Autocrossers looking for that additional edge. In addition, Tim will be available to assist you with any technical questions you may have.

Hoist time will be allotted between 9:00 AM and 1:00 PM depending upon the number of participants who register. Again, as we did last year, food will be provided and door prizes will be awarded, so please come join us whether you want hoist time or not. Come on down, and let's have a good showing of our Region at Parade.

When: **Saturday, June 8th, 9:00am to 1:00 pm**
Where: **Euro Autowerks**
9240 Belding Road, Rockford, MI 49341

YOU ARE INVITED: Join Tim and Deb as they celebrate their marriage. A reception will be held Saturday, July 20th from 6:00 to 9:00 PM at Townsend Park, just north of Cannonsburg Road on Ramsdell Rd., in Cannon Twp. There will be a parking paddock for specialty cars. Join us for food, music and camaraderie. We hope to see you there.

REGISTRATION FOR EVENTS: To register for lift time at our Open House/Tech Session or to register for the reception, please email us at admin@euroautowerks.com. Be sure to let us know if you would like to reserve hoist time at the Tech Session and/or attend the reception. Please specify the number of guests that will be attending the reception. RSVP is required for both events by May 31, 2013.

In Review: March DD to the Grattan Irish Pub

Text and Pictures by WMR Member and Historian Kurt Wirth

WHAT IS SO SPECIAL about dinner at the Grattan Irish Pub?

The food is homegrown and finger-licking-good! You can't stop eating! The place is small and the seating arrangements are sort of chaotic, but oh, so much fun, especially when Porsche folks get together. So sorry if you missed us. Make sure you join us next year!

What a crowd, what a fun time!
