## **Experience a mix of practicality and performance. Although it heavily favors performance.**

There's never been a Porsche that serves two masters. And the Cayenne is no exception. Its renowned sports car performance is apparent at every turn. That said, the same ingenuity that makes fuel systems more efficient and traction management systems smarter, serves us in a different respect—practicality. With plentiful seating and creatively appointed storage space, to name just two. Visit our showroom to see the balance work for you. Porsche. There is no substitute.

## **Experience the thrill of duality. The Cayenne.**

# HAPPY NEW YEAR

## LETTER FROM THE PRESIDENT

---

**Mike Karluk**  
*President,*  
*Western Michigan Region*

I hope all of you are enjoying a fulfilling, happy, and healthy holiday season and that the spirit of which will last through the coming year. "White Christmas" showed up a month early here in west Michigan, stoking fears of another brutal winter ahead.

The snow was gone by the time of our Holiday Appetizer Party and

those in attendance were treated to a lovely sunset over Lake Michigan as a backdrop for this warm gathering of friends. We'll have to wait and see if January and February treat us as nicely, but I hope many of you can join us and host Rick Riley at Leo's Seafood Restaurant on January 14; at Winterfest 2015 at Bar Divani in Grand Rapids on February 21; and at the Morning-After Brunch the following day. Our favorite marque has been garnering some high praise in the automotive press of late. The December 2014/January 2015 issue of "Road & Track" named the GT3 its Performance Car of the Year ahead of the Ferrari 458 Speciale, the Dodge Viper SRT TA, the Nissan GT-R Nismo, and the Ford Mustang GT Coupe Premium.

The GT3 was described as "More emotion than the GT-R, less work than the Viper, and more comfy than the Ferrari. The Porsche 911 GT3 is the Belle of the Ball." The January 2015 "Car and Driver" returned the Boxster and Cayman to their "10 Best Cars of 2015," which were described as "the purest way to experience sports-car nirvana."

Though not specifically related to Porsche, I'd like to recommend two books that have Michigan roots by author A.J. Baime for your winter reading pleasure. Currently in hardback is "The Arsenal of Democracy," which charts the rise of the automotive industry in Detroit with primary focus on the role of Henry and Edsel Ford and their role in the industrialization of arms manufacturing during WW II as seen with the construction of the B-24 bomber plant at Willow Run, which by the end of the war was turning out a bomber an hour. It's a fascinating historical, political, and sociological read. Published several years earlier, "Go Like Hell" is the story of Edsel Ford's son, Henry Ford II or "The Deuce," and the development of the Ford GT-40, which dominated LeMans for several years in the mid-60s. I found both real page-turners.

Safe motoring to all! — *Mike*

# JANUARY DINNER DRIVE

HOST: RICK RILEY

We're sure this will be a great reason to continue to eat, drink, and be merry, even while the cold gray of January in Michigan settles in. Meet up with us at Leo's on Wednesday, January 14, and enjoy the great service, excellent food, and the beautiful setting with your Porsche Club friends.

If you want to do something beforehand, the Grand Rapids Art Museum will be open, and Leo's is just around the corner. You can even park in the structure above the restaurant and walk inside Leo's without having to venture onto a sidewalk - who could ask for more?

## Where:

Leo's Seafood Restaurant

## AROUND THE ZONE

BY MICHAEL SORIANO, ZONE 4 REPRESENTATIVE

**Michael Soriano**  
Zone 4 Representative,  
Porsche Club of America

Happy New Year! I hope that everyone enjoyed the Holiday Season and is ready for another exciting year in PCA. With the beginning of a new year, and as many regions start putting together their event calendars, why not reach out to the region leadership and offer to assist with an event. As is true with any organization, the more you put into it, the more you get out of it. The first Zone 4 event of the year is the always popular Porsche Preview Event at the North American International Auto Show, which will be held from 7 a.m. to 9 a.m. on Saturday, January 17, 2015. We have been working very closely with Porsche Cars North America to organize and plan this event. For this event, PCNA graciously opens the entire display to us, allowing our Zone 4 members exclusive

access before the show opens to the public. In the 1st year, the ticket allotment was 118; last year it was 130, and this year we were able to obtain 200 tickets. Tickets are \$20 per person, which includes your admission to the show as well as a catered continental breakfast. Pre-registration is required via [motorsportreg.com](http://motorsportreg.com).

Another event to look forward to is Parade, which will be very close this year in nearby French Lick, IN from June 21-27, 2015. For details about everything related to Parade including tours, visit the Parade website: <http://parade2015.pca.org>. Registration will open at Noon on March 17, 2015.

Be sure to check your local region’s website and newsletter, as well as the Zone 4 website <http://zone4.pca.org> for the latest details on the many events close to you that are being planned.— *Michael*

# 2014 WMR PCA CHARITY REPORT

BY GABRIELE BLACKLIDGE, CHARITY CHAIR

This report is to inform you that WEST MICHIGAN PCA MEMBERS ROCK! This year, in support of our designated charities, you nearly doubled your donations! Donations in 2013 were \$2,350. 2014 donations were \$4,604.75! Whoo hoo! You guys are awesome. Donation totals:

Kids Food Basket:	<b>\$2,193.00</b>
Midwest Traffic Safety Institute:	<b>\$1,311.75</b>
FAWMFB:	<b>\$1,100.00 and 135 pounds of groceries</b>

What a wonderful way to support the community. Thank you for your generous hearts. 2015 WMR PCA CHARITY GUIDELINES were again approved by members at the 2014 Planning Meeting.

## WMR PCA 2015 CHARITY GUIDELINES & GOALS:

- To diversify charitable donations given by our generous WMR members
- To support organizations meeting the needs of Michigan recipients
- To enable WMR to support three specific categories for one year:
  - a charity focusing on nutritional needs of children
  - a charity focusing on hunger relief for families
  - a charity focusing on needy individuals to secure a driver's license.

The proposed charities are: (information obtained through local media sources and online through Charity Navigator.)

**KIDS FOOD BASKET:** Kids Food Basket celebrated its 10th year in 2012. The Grand Rapids-based non-profit sends nutritious meals, in paper sacks, home to schools in which 80% or more of the student population lives at or below the poverty line. The meals contain more than 1,000 calories with each of the necessary food groups. KFB serves over 6,000 elementary students in 35 Kent and Muskegon County schools every weekday.

**FEEDING AMERICA WEST MICHIGAN FOOD BANK:** "Since 1981, Feeding America West Michigan Food Bank has served as West Michigan's regional nonprofit clearinghouse for saved, donated food on its way from the food industry to churches and charity agencies

that assist needy people. Through our seven warehouses, we serve roughly 1,300 food pantries, homeless shelters, soup kitchens, domestic violence shelters, rescue missions and other charity agencies across 40 Michigan counties (serving 100,000 families). Each year, we distribute close to 25 million pounds of food and other goods. [...] A whopping 98.7% of our expenses go directly into hunger relief programs. Only 1.3% goes to Administration and Fund-raising. FAWMFB has a four star out of five rating by Charity Navigator."

**MIDWEST TRAFFIC SAFETY INSTITUTE:** This nonprofit was developed by Century Driving School after conversations with members of WMR who heard of a need for disadvantaged students who could not afford the cost of state-required drivers' training and licensing. As a club dedicated to driving, the board supported this project to aid local students through subsidies. WMR has supported this organization for the last three years. Background information on Century Driving School: In business for 21 years with more than 46 locations in Michigan. Services include Segment 1 and 2 for students, Adult Drives, Road Tests, Driver Competency Assessment (DCA), AARP and Defensive Driving, just to name a few.

## Distribution of WMR charitable donations in 2015:

The "Change for Charity Can" at every event will benefit the Kid's Food Basket.

As selected, one or two WMR members' events on the 2015 calendar will support the Food Pantry with a request to bring non-perishable food/personal care items to the event for donation to Feeding America West Michigan.

The Charity Lap donations at the Grattan Drivers' Education event will support the Midwest Traffic Safety Institute.

Please note that on your WINTERFEST INVITATION, you will be asked to bring non-perishable food or personal items, cash or a check to FEEDING AMERICA, WEST MICHIGAN to the Winterfest event to help fill the food pantry for those in need. Please contact me with questions: [Gabriele@chartermi.net](mailto:Gabriele@chartermi.net)

## IMPORTANT KEYS TO WINTER STORAGE - REVISITED

Proper care and precautions when preparing your car for winter storage can pay dividends in the future. Properly preparing your car involves much more than backing it into the garage and covering it. This month we will discuss each step necessary to properly store your car.

The place to start is to have the **engine oil & filter** changed. This will eliminate the harmful contaminants that accumulate in the oil and filter when driving and can damage your engine if left unattended.

Next on the list is the **fuel system**. Just prior to parking your car, fill your gas tank and add stabilizer per the instructions. Once you have the tank topped off, run the car for about twenty minutes to allow the stabilizer to get into all the fuel lines and injectors.

**Once stored, we do not recommend starting the engine until spring.** Short run times build up moisture in the engine and exhaust system and can be harmful over time.

While **rolling the engine over** during short-term storage periods is not necessarily required, it certainly won't hurt. However, during an extended storage period it becomes more important. Short storage or long, any of these three methods will prevent the rings from resting in the same spot while in storage.

Disconnect the fuel pump fuse or relay and crank the engine over briefly. Put the car in gear and push it forward a foot or so. Use a wrench to turn the crank-shaft, being sure to turn it in a clockwise direction only.

To keep your **battery** in tip-top shape, we recommend that you use a Battery Tender. A good battery tender will keep your battery properly charged and avoid discharge and/or over charging. If you choose to disconnect your battery, make sure you know your radio code.

Adding 10 pounds or so of extra air to your **tires** can eliminate flat spots and keep your tires rolling smoothly. It also helps to move the car a foot or so from time to time, to let it rest on a different spot.

Prepare the **exterior** of your car with a good wash and wax. Once you've finished with the exterior, turn your attention to the **interior**. This is a good time to apply a good leather conditioner throughout. Apply it liberally, letting it soak in during the winter; a quick wipe down come spring and you'll be on your way.

A very important step to **prevent possible damage from rodents** is to place dryer sheets in and around your car. Haven't seen any sign of the little critters? Great! But don't take a chance with your car; invest in a box of dryer sheets. (Visit <http://www.curbly.com/chrisjob/posts/1602-25-alternative-uses-for-fabric-softener-dryer-sheets> to read about all the uses for dryer sheets)

Cedar balls can be used in place of dryer sheets for rodent protection, however avoid putting mothballs in your car. All these items can be placed around the edges of your storage area to discourage rodents from taking up residences. Once your car is properly prepared for storage, you can relax and enjoy the winter activities, knowing that your car is ready for spring. Lastly, don't forget your winter ride. Have its coolant, brakes, tires, heating system and state of tune checked. We offer a great discounted labor rate to our Porsche customers for whatever you own and will be happy to go over it for you.

On another note, we are extending the deadline for our Porsche Trivia Challenge to January 31st with the \$100 gift certificate still being awarded to the winner at the Winterfest. Details of the contest were printed in the September issue of the Über Alles on the Tech Spalte page. If you have questions regarding the Trivia Challenge, please email us at [admin@euroautowerks.com](mailto:admin@euroautowerks.com) and we will help you. **We wish each of you a wonderful New Year!** — Tim & Team

## Specializing in Residential Building & Remodeling for over 25 years

"The results of our Remodel Project, from  
concept to design and construction to finished  
product, can be summed up simply:

All aspects exceeded our expectations. We  
highly recommend the Morris Builders, Team!

We really have enjoyed our relationship with  
you and your staff, Remodeling should always  
be this easy and fun. Thank you for making  
our experience wonderful."

# 2014 ENTHUSIAST OF THE YEAR

BY MARSHALL WALTERS, ENTHUSIAST CHAIR

The Enthusiast of the Year trophy is awarded each year  
at Winterfest. 2014 was a great year!

183 of our members attended at least 1 event! 30+ earned  
more than 100 enthusiast points. But only 10 exceeded  
200 points for the year (with 3 people exceeding 300!).

Not only does the Enthusiast of the Year get to hold onto  
a great looking trophy for the next 12 months, but they  
are also awarded 2 tickets to next year's Winterfest.

2015 could be the year you win! Everyone in the club is  
eligible to win, regardless of board or chairperson status.  
However, winners are excluded from eligibility for the  
next 2 years.

*Enthusiast points are awarded as follows:*

**For attending a WMR event (excl. board meetings):**

Parties/Dinners: 10

Autocross/Drivers Ed/Club Race: 10

Driving your own Porsche to an event: 5

50 or more miles one way: 10

**For participation in a WMR event (incl. volunteering):**

Chairing an event: 20

Autocross/Drivers Education: 15

Members who bring new members to an event: 10

**Über Alles Contributions**

**(excl. President's letter and editor comments):**

Pictures/Post-Event Write-ups and Articles submitted: 10
