A Look Back Into Our Porsche Past

800 volts of Auf Wiedersehen.

Say hello to perhaps the most electrifying Porsche to ever come out of Stuttgart. The Porsche Taycan. A fast-charging 800-volt system architecture propels you from 0-60 in just 2.6 seconds - again and again. An advanced cockpit marvels driver and passengers alike. All infused with clear Porsche design DNA. Say goodbye, garage.

**Experience true electrified performance.
The all new Taycan Turbo S.**

GREETINGS EVERYONE

LETTER FROM THE PRESIDENT

Jim Chiavaras
President, Western Michigan Region

I don't know if it is just me, but it does seem that winter is moving along quite rapidly and I am confident that with the vaccine roll-out and continued caution that we will be able to get together in person for events in the spring or early summer.

On 2/10/2021 phase 1 registration for 2021 Porsche Parade in French Lick opened up with phase 2 opening on April 7. Kim and I are registered and I hope several others from WMR were also able to sign up. It should be a fun week! Let's keep our fingers crossed that nothing gets in the way between now and July to cause any change in plans.

I am looking forward to going as this will be the first parade that we have been able to attend.

On Saturday 2/27 we held our annual Winterfest get together and although it was virtual we had 30 people attend. Joyce Lo arranged the slide deck, Michael Betz arranged the video highlights of 2020 and Frank Conner was at the controls. I feel it turned out quite well. Thanks to everyone involved.

Congratulations to Amber Door who was named the enthusiast of the year, thanks for all you do for our club all year. Congratulations also go out to Brooks Lucas our newcomer enthusiast winner.

Looking at the March calendar, the only event that is scheduled is our monthly board meeting .

All the best,

Jim

ENTHUSIAST OF THE YEAR

BY: GLENN EISENBRANDT

Even with all the challenges in 2020 we had 123 members participate in at least 1 of 11 events that we were able to hold. 12 of these members were new members that joined the club in 2019 or 2020. Every year WMR selects an Enthusiast of the Year and a New Member Enthusiast of the year. The Enthusiast of the Year has their name engraved on a pin that is added to the roving trophy that they get to keep for the year. The New Member Enthusiast of the year will receive a name tag that has the award engraved on it along with their name.

The selection process uses a standard point system based on attendance to WMR events and newsletter involvement. The point system is:

For attending a WMR event:

- Parties/Dinners: 10
- Autocross/Drivers Ed/Club Race: 10
- Driving your own Porsche to an event: 5
- 50 or more miles one way: 10

For participation in a WMR event:

- Chairing an event: 20
- Autocross/Drivers Education: 15
- Members who bring new members to an event: 10

For contributions to the Über Alles:

- Pictures/write-up submitted of WMR event: 10
- For other articles/pictures: 10

Once you're selected as an Enthusiast you cannot be selected again for the following two years.

Amber Door is the 2020 Enthusiast of the year.

Brooks Lucas is the 2020 New Member Enthusiast of the year with 55 points.

The Eleven members with the most total points for 2020 were:

- 190 Amber Door
- 130 Wolfgang Bubeck
- 125 Jerry Arens
Ted Blacklidge
- 115 Frank Conner
Rick Riley
- 110 Marshall Walters
- 105 Jared Baillargeon
- 95 Gabi Blacklidge
John Walters
CB Bursk
Ward & Robin Granger

A LOOK BACK

BY: CHUCK OLENYK

Yes, it's sad that "it" will not take place this year. But long before we had the convenience of "DJ's" and digital music, we pompous Porsche possessors, much like medieval kings relied on live musicians to entertain us at our annual **Winterfest**.

Pictures: Clockwise from top left

1. A local cover band called Entourage in 1980 at the Knights of St. Casimir Aid Society (aka "6th St. Hall"). You can just about hear the guys saying "play Proud Mary!"

2. Lance Weersma and Donna Teter dance as Edye Evans Hyde sings in the background in 1981 at Pietros. And quoting hostess, Janet Langdon in UberAlles, "for those die-hard's who don't know when it's time to go home, Kurt and Shirley Wirth entertained at their home, serving a wonderful, warm German drink...Glühwein". That was the start of their delightful tradition.

3. New members at the time, Joyce and Denny Weise displayed marvelous footwork dancing to the music of the River City Jazz Ensemble in 1983 at the Marriott Inn, now the Crown Plaza on 28th St. It previewed their future stylish, outstanding hosting of a number of "Spring-Up to TC" events.

4. Today, Edye Evans Hyde and the River City Jazz Ensemble continue to go strong, even performing together on occasion. Go to their Facebook pages for more about them and samples of their music.

Winterfest SnapSHOTS

1989 Kurt Wirth duets with Tootsie Van Kelly at the Amway Grand Plaza

1989 This isn't Rockette Science!

1980 Hostess Lynne Olenyk and her entourage

1980 "Tuxedo Junction" at the Polish Hall!

1989 Life is too short to wear boring clothes!
Our hostesses:
Lori Schutz, Barbara Paull, and Nancy Dunn

1983 Everybody up for this one?

THE SMYRNA GREEN TWINS MADE IT BIG TIME!

BY: RICK RILEY

Look up the February issue of PCA E brake.

The Smyrna cars photo got top billing! (Proper photo credit to John Lacko) The article is about PTS (Paint To Sample) colors for Porsches. Even though the color got top billing we got disrespected as a "love it or hate it" by the author, Ha! I guess that puts me in the former category! All good fun!

To see a cool presentation of all the "special" colors visit: Rennbow.org.

Stay warm, and I'll see you down the road.....

MEMBER PICS BY: DAN PHILLIPS

Numerology can be a fun and interesting topic sometimes. Not that it means anything, but we had an opportunity to snap a cool couple of pictures of our Boxster S turning 66,666 miles. With the right forethought, timing, and a practice run, we were able to see it hit this milestone with 6.6 miles on the trip odometer, going 66 miles per hour, at 6:06 in the evening, with the climate control set at...66 degrees! Had only we done it at 6:06 am (the 'true' 6:06), thought of this idea 660 miles sooner, owned the car 6,660 miles previously, or...waited until it was 66 degrees outside. There's always 77,777..."

All the best,

Dan
