

PORSCHE CLUB OF AMERICA

Western Michigan Region

Alas! This Newsletter is rather late. But due to many factors that we shall not list; the excuses sound pretty good from this end. This is going to be just a one page flyer, because of the time element in getting it out. As you know we generally have a letter from our president. Say "Mr. President" where is it, haven't seen it yet. Also, we have been trying to correspond our Newsletter with the Council Calendar, but this too comes out on many different dates. And so we have not been able to correlate our printing.

The first and foremost thing that comes to mind is that we are suppose to have an event this month, seeing as it is June. There has been nothing said from the parties involved, as to where, why, who, and when, is going to put this event into the functioning status. So we are going to pass up the event for this month, and make it for July; and have a combination short rally with ending at Lake Michigan. If this is favorable to all we will get notices out to you, as to what to do, at the end of this month; or the first week in July.

Now to stress another point that all of you already know, but still might be interested in, is the Paul Bunyan National Rally, put on by the SCCA. And everyone is welcome to run. If you want to run, contact me and I will see that you get some entry blanks. I want to let you know this, not to be repetitious, but we want you to have a possibility of running a real good rally. We have just printed the route instructions, and it looks like a rally that many of you won't forget. In fact, we have some of our members running this now - Bill Schwalm is driving, with Fred Grimm, navigating. They, I understand, make a real good team. And also, our Kalamazooites, Art and Isabell Jones, and as usual Art is navigating, with Isabell driving. As of this writing we have approximately 45 entrants, and all of the leg work on the rally is finished.

In reference to the before mentioned short rally and beach party: We hope that there will be a better crowd than what we had before. If any of you have any comments as to this, please let me know and we will see what we can do about it. So look forward to receiving some more information on this.

Another event that is coming up, is the second annual Muskegon Sports Car Club Seaway Festival Gymkhana. This will be held July 1, 1962, at the L. C. Walker Arena parking lot. Those that ran last year might remember this. Registration is open at 11:30 in the morning, and this is on a Sunday. So, if you can, we'll see you there or at the Paul Bunyan Rally.
