THERE'S NO HAGGLING ABOUT HAGERTY

THE DAY WAS OUTSTANDING!

LETTER FROM THE PRESIDENT

Frank Conner
President, Western Michigan Region

The actual driving season could not have started any better! The event up at Traverse City hosted by the Curries and Rohdys and sponsored by Hagerty was phenomenal. We had a wonderful drive with almost 60 Porsches gleaming on a spring day (earlier having been washed by a little rain). Driving up the east side of Grand Traverse Bay, we ended our drive with wine, cider, and various snacks at CELLAR 1914 Winery. Some of us added to the day by finding our way back to Traverse City by traversing around Torch and Elk late. At the conclusion, we coalesced and met with about 100 of our fellow members having hors d'oeuvres, drinks, and dinner, all provided by Hagerty. The day, the organization, the detail, the Hagerty garage, and more set a very high bar for future events.

However, not to be outdone, Amber Door & Jerry Arens once again hosted our annual event of Sporting Clays at Blendon Pines. Some of you may have heard that Blendon Pines had a fire that burned down their primary building. That is true. A little over a week before our event that did occur. However, they were open again in a couple days and came through on their promise of being available to host our event.

Looking forward, on June 4th we again will have a Tech Session at Euro AutoWerks. While we expect the same level of expertise and hospitality provided by Tim Thatcher and his team in previous years, what will be new is the owner. Tim has finally found a suitable caretaker for his business. Don Sjolín and his wife Amy are now the owners to this place so near and dear to our hearts. Don has been a club member of 18 years and drives a '74 911. Don has been in contact with me about the day and he plans on providing all the amenities of years past, with possibly a twist or two!

Of course, I can't mention June without referencing Porsche Parade. This year we will be at the Kalahari Resort in the Poconos. Western Michigan will be well represented as always. If you haven't gone to Parade, put it on your bucket list. You get to spend from a few days to a full week socializing, driving, having dinner, going to interesting places, competing, and so much more with the great people who make up PCA.

In some non PCA news, it is now official that Porsche will be joining Formula 1 racing, maybe as soon as 2026. The path isn't completely clear, the most likely scenario is them partnering with Red Bull. Three races in the U.S. and Porsche back on the grid, might be time to revisit open wheel racing that isn't based on a spec chassis. (To be fair, I enjoy Indy as well.)

Of course, Porsche will also return to prototype racing in 2023 on both sides of the pond in IMSA and WEC. We will get to see them at Daytona, Sebring, as well as Le Mans. If you don't want to travel to Florida or France to see a race, a little closer to home, on the other side of our much smaller pond, we will be able to watch them at Road America in Elkhart Lake, Wisconsin.

Warm weather is here, don't let it go to waste!

Cheers,

Frank

HOST: WESTERN MICHIGAN REGION PCA

Join us for an exciting weekend at Grattan Raceway, considered to be one of the finest road courses in America, located just 20 minutes northeast of Grand Rapids, for our annual High Performance Driver's Education (HDPE) event. Learn how to maximize your driving performance on the 2-mile course through the challenges of twists, turns, hills and valleys.

IN REVIEW - SPRING-UP TO TRAVERSE

BY KARLENE CURRIE

Startup conversation by Rex and Joyce

58 cars with 102 participants rolled out of Meijer's parking lot in 3 run groups - heading for the twists, hills and scenery of Antrim County. "Mostly" good weather prevailed on the cruise to Cellar 1914, where the fruit trees were in full bloom. The family-owned winery & cidery offered many good tastes, photo ops and lively conversation.

Brenda & Claudio Kaempf with Beth & Dave Howard

Drive back on-your-own directions allowed all to pick their activities before heading to the Hagerty Learning Garage. After oogling their classic collection and working area, Hagerty treated guests to appetizers and cocktails before a presentation of their participation with PCA; and followed-up with a gourmet dinner.

A shout-out and heart-felt thank you to Hagerty for their active participation with our Club and providing such a top-notch event.

FROM THE EDITOR

FIRST TIME EVER...

As our member count slowly but surely increases, events come and go, so do members. But for the first time in WMR PCA history, June 2022, we can congratulate our long-term members for their 50th anniversary in our club. Please thank them for their loyalty whenever you run into them. Cheers to Mark & Nancy Haveman as well as Robert & Wendy Johnson.

1972 Porsche 911S

For some of us Parade is occupying a large part of June for preparation and of course participation of Parade. No other events are planned for June so far. The next dinner drive will be on the 23rd of July. I hope you have some personal driving time in mind to enjoy your Heilig's Blechle in the summer time. Let me explain what the German phrase "Heilig's Blechle" means. The roots stem from the 18th century, but since cars are around the meaning has changed completely. It is only used in the southern region of Swabian (Porsche region). Heilig = holy and Blech = sheet metal, add some belittlement and you have "Heilig's Blechle", which means your holy piece of sheet metal, aka your precious car.

Enjoy the ride....

Wolfgang

SPORTING CLAYS

BY AMBER DOOR

This year saw now the 9th year that WMR has hosted a sporting clay event at Blendon Pines Gun Club. For those that do not know, Blendon Pines is owned and operated by the family of WMR member Jim Schaaf. Tragically, ten days before our scheduled event Blendon Pines suffered a fire that burned their gun store and their club house. The Grasman family, Russ, Kyle and Amy along with their employees worked hard to ensure that the driveway into the gun club and the paved parking area was Porsche ready!

While the weather was not picture perfect like last year the rain held off until we was done shooting. Our group was small again this year with 8 gun-touting WMR members (we had several that came to spectate only). Our shooting participants included members Rick Riley, Bill White, Ron Windemuller, Jerry Arens, Gary Buth, Lou Deleguardia, and first-time attendees, but not first time shooters, Chris and Teresa Thorpe.

Our top shooters of the day in the 50 clay group were Chris Thorpe (31 clays) and Teresa Thorpe (24 clays), but because they did 100 birds they took home top honours of downed "birds" of 53 and 41 respectively.

Close behind through were Lou Delaguardia with a very respectable 24 and Gary Buth with 22 this year.

Everyone that participated is looking forward to next year. We also hope to see some new faces. Remember - no prior shooting experience is necessary, equipment is available for rent and the group is provided instruction.
