CELEBRATE GOOD TIMES, COME ON!

LETTER FROM THE PRESIDENT

Yes, it's a celebration. It's time for Winterfest when we look back on our previous year, honor our volunteers, highlight the people who have participated the most during 2022, and generally enjoy the company of friends old and new.

No, Kool & the Gang won't be singing, nor do I expect any disco tunes - I promise. However, if you do look back on some of the Winterfests in the 70's, there was a bit more frivolity than modern gatherings. We'll see what happens this year!

As I hope you know by now, this year it will be Saturday, February 18, at Watermark Country Club. This will be the first face-to-face Winterfest since COVID, and we are rolling out a new award for members who have given to our club their time and energy over many, many years. Hopefully we will see you there.

The following day, Amber Door and Jerry Arens will be hosting the Morning After Brunch on Sunday, February 19 at Linear Restaurant. Linear is a popular eating establishment with many of our members. For those members traveling in for Winterfest, this is a great way to say goodbye before your trek home.

Looking back over January, while there was only one event, it was a treat. Tyan Roelands coordinated with our friends at Garage Kept Motors for an open house on January 19th. There was great food, drink, people, and enough high-quality cars with significant variety to keep everyone engaged and curious. And if Facebook can be believed, at least one member used this as an opportunity to bring home a lovely GT Silver over black 997 coupe! Congrats on your new addition to the garage.

March is looking pretty thin for events. If you would like to host an event, please contact Lynne Olenyk or any of the officers. While too early for a drive, if you have a favorite place to eat that can accommodate a large group or an activity you think may appeal to our members, please reach out. Don't worry if it's your first time, we have lots of support and expertise to help you make your event a success.

Sports car racing is back with the 24 Hours of Daytona the last weekend in January and more to come. So, if we can't drive ours, we can at least find some joy in watching others drive theirs while we cheer on Team Porsche. Spring is close enough that we can start dreaming of good things to come, even if it's a bit of an optimist's delusion.

Frank

IN REVIEW BY TYAN ROELANDS

Porsches and Vipers and Ferrari's... oh my!

Our biggest turnout yet! Thank you to the more than 75 attendees who joined us Thursday evening at Garage Kept Motors for cocktails and BBQ! Once again owners A.J. and Jeremy rolled out the red carpet with dinner from Smoking Bro's BBQ and a fully stocked bar featuring three signature PCA cocktails... even re-arranging their showroom allowing us to view their wide selection of more than 80 vehicles on display, including nearly two dozen collector quality Porsches... now featuring one less 997.

Some of the highlighted Porsches of the evening included a 997 Turbo Alpha 10 with 1,000 horsepower, a beautifully spec'd 991 GT3 Touring, and a very rare 996 GT2 in Arctic Silver. Among other "Non-P cars" included a Bentley Trophy Brooklands, a McLaren 650S Spider, the notorious 800 horsepower Dodge Charger "Scraptona" and not one but TWO 1974 BMW 3.0 CSi cars.

Thank you to A.J., Jeremy and their entire staff for co-hosting another wonderful event and their continued support of West Michigan Region PCA! We look forward to many more events with Garage Kept Motors!
