# LETTER FROM THE PRESIDENT

OFFICIAL WE DRIVE!

The club is back to doing what brought us together in the first place – driving our cars. By the time this newsletter goes out we will have had our first drive and dine event of the year on April 29 hosted by John & Marshall Walters. We will experience the roads and beauty of the countryside between Grand Rapids and Kalamazoo. The numbers aren't finalized, but last I heard from Marshall, we may be looking at three different tour groups given registration already has over 30 cars.

A second drive the following week also in the southern half of our region being hosted by Chris, Teresa, and Jordon Thorpe. Saturday, May 6th, this drive starts in Mattawan at 10:00 am and ends at Texas Corners Brewing in Kalamazoo. New road and a new place to dine is always exciting. Hopefully with this drive being more to the south than most, we will also see some new participants. Remember, all are welcome. The club has been doing these drives for decades and they are intended to be safe and enjoyed by everyone. We save our high-speed driving for a weekend in September at Grattan.

However, it's not like we don't love competition. This was in full display at the Annual Cook-off Raeni and hosted on April 1. We had over 30 members attend ranging from a new couple at their first event to folks with membership numbers that date from the 1970's (over 40 years in the club). The food was outstanding, but there had to be winners. Jerry Arens was selected by the judges as Best of Show and Lynne Olenyk was given the nod by those in attendance winning People's Choice. Congrats to them and we look forward to next year when we expect the same level of outstanding food and community!

Another event in April was the New Members Cars and Coffee gathering on Saturday, April 22nd by Porsche Grand Rapids. Sadly because of a significant exposure to COVID, I considered a good practice to not attend. However, I understand we had around 50 members attend the event. While the weather was cloudy and the rain never appeared, the dealership in addition to the coffee and morning pastries, also gave Porsche umbrellas to those in attendance. Thanks to Porsche Grand Rapids for continually supporting the Western Michigan Region.

Just like the driving season, racing is also heating up. Congrats to Nick Tandy and Mathieu Jaminet for giving the Porsche 963 prototype its first win at the Grand Prix of Long Beach. Tandy and Jaminet now hold a one-point lead over Cadillac in the IMSA Sports Car Championship. The next race is at Laguna Seca in the middle of this month with the biggest test coming June 10 – 11 at Le Mans. It is time to give those Toyota's actual competition!

# IN REVIEW - ANNUAL COOK-OFF

NO FOOLS PRESENT FOR COOK-OFF

BY FRANK CONNER

Over thirty members brought 14 different dishes to the annual cook-off on April 1. The rules this year were both simple and yet vague - Anything that can be served with a ladle and clearly includes chicken. The challenge was well met. While every year members bring tasty food, this year seemed exceptional. Not a bad crockpot in the lot and picking a winner was a challenge.

As always there were two awards - Best of Show (judge's choice) and People's Choice. Because of the number of couples who brought soup, finding objective judges was a chore. We had to recruit a brand-new member at her first event, Cynthia Vincent to collaborate with Jim Chiavaras and Ty Rolands in selecting Jerry Arens as Best of Show. For the People's Choice, those in attendance gave the majority vote to Lynne Olenyk.

As I said, all of the dishes were excellent but these two rose above the masses to take home the prizes. Congrats to the winners and all that attended the event. It was great fun and Raeni and I enjoyed being your hosts.

# Arrive & Drive Racing

Area Racing Manager – Rusty Pruden, Central Indiana Region PCA

## Sim Racing NEWS

### Join us for some low-keyed, fun racing!

In the 8 months since starting the **Arrive & Drive League**, we've grown from 24 to over 240 members! Our sessions now typically have 25-45 drivers who enjoy racing with their PCA Sim Racing friends.

We race twice each week:

- Sundays at 3:00 PM Eastern / 12:00 PM Pacific
- Mondays at 8:00 PM Eastern / 5:00 PM Pacific

Most sessions follow the format:

- 50 minutes of open practice
- 25 minutes of open qualifying
- 45-minute race

Arrive & Drive features a no planning, no practice, "just show up and run whenever you have the time" race environment! If you are serious about winning, please look at the **other** terrific PCA Sim Racing series and events offered.

In Arrive & Drive, drivers from four of the five PCA Sim Racing skill levels, Pro, Club, Sport, and Challenge all race together on the track. Most sessions handicap the faster drivers facilitating closer racing between all our drivers. Sportsmanship, camaraderie, and clean racing are stressed.

# CHARTER WMR MEMBERS AND THE FIRST PCA TREFFEN

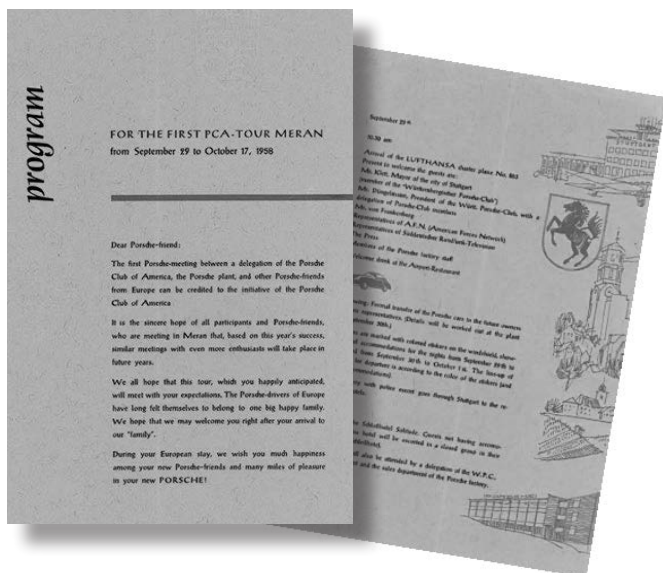

PART 2 - A LOOK BACK TO OCTOBER 1958

BY MARCIA HUFF

## PCA Members arrive in Stuttgart, and take delivery of their new Porsches

*"At last the leash was loosed and the eager eighty lunged as one to the forty-five gleaming new Porsches parked at the airport. Remember the day you got your new Porsche? Well, multiply the whole pandemonium by 80 Porscherers, 45 new cars, a platoon of eager-to-please factory officials, and you have a small idea of Christmas in Stuttgart."*

### Porsche Program

FOR THE FIRST PCA-TOUR to MERAN (Merano Italy)  
September 29 to October 17, 1958

Dear Porsche-friend:

The first Porsche-meeting between a delegation of the Porsche Club of America, the Porsche plant, and other Porsche-friends from Europe can be credited to the initiative of the Porsche Club of America.

It is the sincere hope of all participants and Porsche-friends, who are meeting in Meran that, based on this year's success, similar meetings with even more enthusiasts will take place in future years.

We all hope that this tour, which you happily anticipated, will meet with your expectations. The Porsche-drivers of Europe have long felt themselves to belong to one big happy family. We hope that we may welcome you right after your arrival to our "family".

During your European stay, we wish you much happiness among your new Porsche-friends and many miles of pleasure in your new PORSCHE!

Ruth Alexander on the Rhine River ferry with 1958 Porsche

### Ruth Alexander Diary entry - September 30, 1958

*"Had to be thru breakfast ready to leave hotel by 9 and drove to factory. Went thru body (Reutten) factory and Porsche in groups - very interesting - beautiful workmanship. Lunch at cafeteria. Started out with an egg yolk in coffee cup - they poured soup in cups and we stirred egg - good. Had wieners which we ate with fingers, bottled beer, rolls. About 10 of women downtown in taxis with Baroness Von Haustein guiding us on a shopping tour. Ended up having coffee in a terrace cafe where men met us about 5:30. We had dinner at our hotel with Church's and later Cal Davis's, etc. Stayed in restaurant most of evening."*
